

READ WITH US!

-Ryan Parsons-

I have to admit that I am a big fan of the “Read Your Bible, Pray Every Day Song.” Not only is it fun to sing with a bunch of enthusiastic kids, but the message is spot on. Nothing is better and more spiritually uplifting than spending a few minutes feasting on the Word of God each day. I am also convinced that nothing will propel you to pray fervently and more consistently than spending time in scripture.

As you probably already know, several within the congregation are on day 84 of reading the New Testament in 90 days. Congratulations! However, as we wrap it up, there is a sense that it is so good, and we don't want to stop!

What about September - December? I was reminded of something one person said over the last few months: “I just do better when I have a plan.” I couldn't agree more! In our busy world, it is hard to consistently find the time to stop, read, and reflect on scripture. Knowing that we should be habitually consuming God's word can be daunting when we look at all those verses from a distance. On the other hand, it becomes much more manageable when we have a plan, a group of encouragers providing accountability, and a way to discuss what we are discovering.

In order to keep this momentum going, we have put together a plan to finish out 2019. Each day, for the next four months, we will first be reading through Psalms and Proverbs (2 Chapters a day). Then, starting on November 30th, our attention will be upon the Gospel of Luke (1 chapter a day) to close out the year. Reading plans can be found in the foyer. If you would like to join the Facebook group, please see Ryan or Amanda Parsons.

All this is in preparation for the New Year. Beginning January 1st, we will be embarking upon a journey to read the entire Bible through in 365 days. We hope you will join us as we walk alongside each other encouraging and discussing our way through God's great story. In approximately 3 chapters a day, you can read the entire Bible through in a year. Will you join us?

Psalm 119:105

Your word is a lamp to my feet and a light to my path.
