"LIVING BY FAITH"

The National Road congregation is planning the 37th Annual Youth Retreat at Tomlinson Run State Park for the weekend of May 17, 18, & 19. Activities are planned for those in the 6th grade and up (including college age). The activities will include Bible classes, devotions, entertainment and various recreational activities (see attached schedule for details).

Ryan Ice from Grand Central Church of Christ will be our featured speaker. The theme of the classes, talks and devotions will be: "Living by faith".

There will be a $20.00 per person fee (including counselors) to help cover the cost of the retreat, collected at Tomlinson Run. Please email registration by May 15 to the church or fax it to National Road Church of Christ at 304-242-2321 but call first. Due to the limited capacity of the park facilities, getting your registration in at an early date will help insure a place in the camp. Each camper must bring their own bedding, flashlight, Bible and whatever personal effects they will need for the weekend. Registration and arrival is from 7:00-8:00 on Friday.

We hope as many as possible from your congregation will attend and enjoy a great weekend of fun and Christian fellowship. **Each congregation must send a male and female counselor with its groups. All campers must be picked up by 11:00 a.m. on Sunday, May 19. Counselors must stay until all of their group has been picked up. If an adult chaperone is not available, contact us to see if a chaperone may be available from another congregation.**

You will find a registration form enclosed for notifying us by May 15. Please mail to: **Church of Christ, 1310 National Road, Wheeling, WV 26003 or email at natlroadcoc@gmail.com.** Checks should be made payable to Church of Christ, Youth Retreat. If you have any further questions, please feel free to contact either of the following for additional information.
